

Ski resorts in Kyrgyzstan: how to choose where to ski

Checklist to print or save on your phone

- ☐ Choose a resort for the least experienced person in the group.
- ☐ Confirm open slopes and operation of the nursery lift.
- ☐ Book a lesson and reserve the right rental sizes.
- ☐ Arrange return transport and allow extra time.
- ☐ Record the full budget, deposit and cancellation terms.
- ☐ Check weather, road restrictions and resort contacts.

My notes

Date and resort: _____

Accommodation / transfer: _____

Instructor / rental: _____

Budget / deposit: _____

Check before departure

Check weather, open slopes, access roads and services. Respect closures. Book a lesson for your first ski day. Save the resort rescue number; emergency assistance in Kyrgyzstan: 112.
